MOUNT GRANITA | GRAND OPENING | MAY 19TH!

Mount Granita Italian Ice is excited to announce the grand opening weekend of our flagship Little Italy shop starting May 19th! Beginning as a sidewalk cart, we poured our hearts into serving authentic Italian ice to anyone we met walking down Murray Hill's brick road.

Now, we're finally able to open the doors to a space of our own, in the neighborhood we call home. Our new space, which sat without a proper storefront for over 50 years, was once home to countless small businesses in the early 1900s. We couldn't be happier to show off the hard work we've put into re-activating the new shop, which highlights classic neighborhood character: original maple floors, skilled masonry, and restored tin ceilings. Adding to the character is a fun, vibrant storefront with a renewed sidewalk presence. Little Italy is not just a place- it's a culture, it's a rich history, and it's a part of who we are. We're honored to be a part of this community, and we're thankful to be welcomed by the great neighbors that make this place so special.

Our all-natural ingredients are what make our Italian ice so unique. We're committed to making Italian ice the traditional way—with real fruits and no shortcuts. Whether you're craving something sweet or tart, we have a flavor for you!

Celebrate with us during our grand opening weekend. Try our original flavors and experience summertime in Little Italy. Share a refreshing Italian ice with the people you love, or make a new friend on the sidewalk (that's how we like to do it).

We can't wait to share our love of Italian ice with you starting May 19th! Come chill with us at 2024 Murray Hill Road and taste for yourself. Learn more about our new shop and our daily flavor offerings by visiting our website and following us on social media: www.mountgranita.com and @mountgranita.

Last year we had over 40 residents and businesses show off their green thumbs, and this year, we hope to have even more neighbors sign up.
